THE BLUE POSTS

Over an 11 week period the Bluecrow Team worked with renowned restaurateurs Zoë and Layo Paskin and Archer Humphryes Architects to create the stunning Blue Posts, a jewel in London's Chinatown.

This latest addition to Zoe and Layo's portfolio adds further class and style to it's sisters, The Palomar and The Barbary, and remarkably completes 3 in a row on Rupert Street for Bluecrow Projects!

3 floors, 3 completely different styles, from the classic Blue Posts Bar with its commanding pewter topped oak bar and delicate food pass in oak and marble, to the respectfully named Evelyn's Table, a private dining room with seating for 11 at a marble counter overlooking the vibrant kitchen and finally the first floor Mulwray cocktail bar with its decadent fabrics, rich timbers, reflections on yesterday's architecture, vast wine display and elegant marble bar.

The names - The owners chose to give reverence to the character played by Faye Dunaway in the film Chinatown's Evelyn Mulwray.

When it comes to shopfitting, Bluecrow specialise in the restaurant, bar and retail sectors. We have the confidence, knowledge and expertise to deliver your vision on time and within budget.
