Bluecrow Projects

22 Bishopsgate The Market

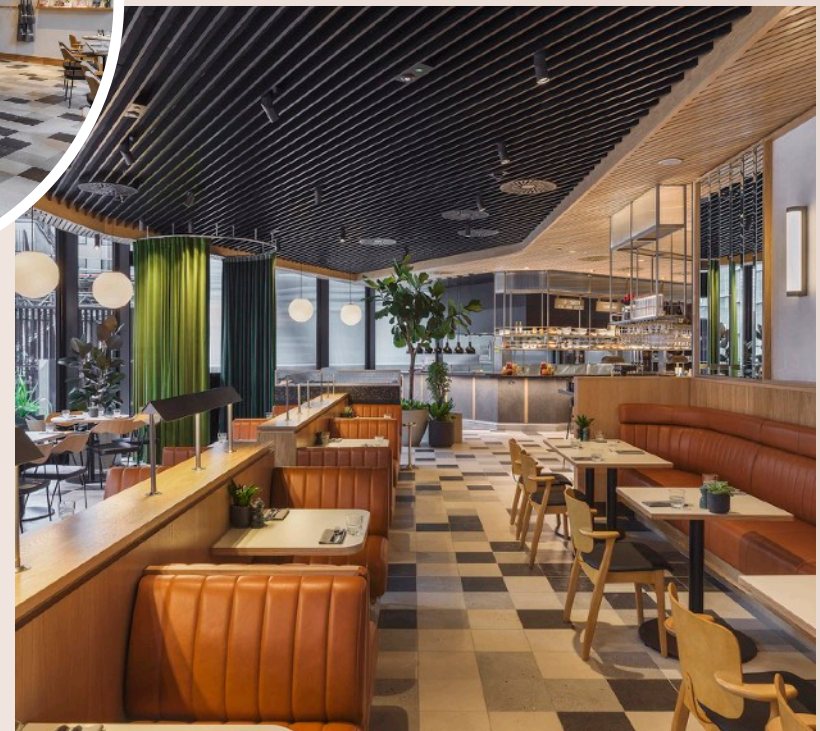

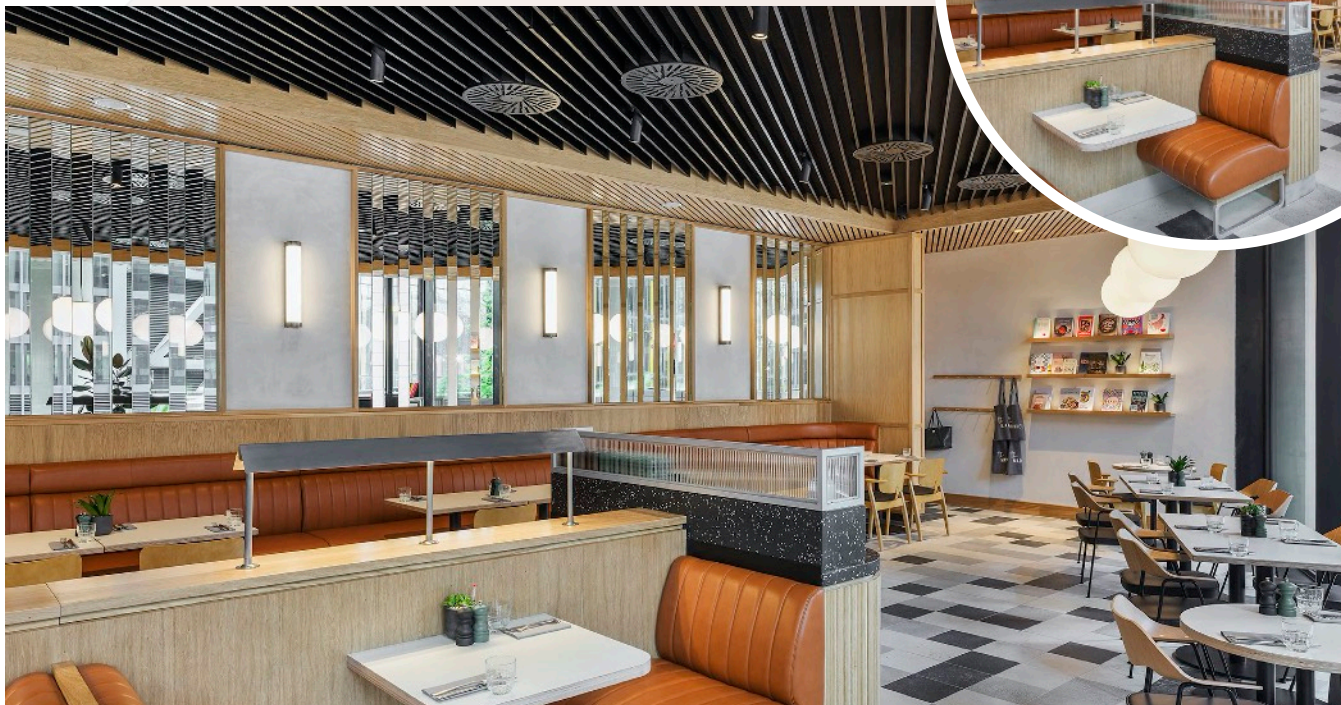

Bluecrow Projects, main contractor for the magnificent fit-out of 22 Bishopsgate, The Market. This project consisted of 20,000sq ft of restaurant and retail space within 7 different zones including 4 kiosks, banquette with core wall seating, window, column, free standing leaner counters, solid oak doors and zonal solid oak ceilings.

All joinery bespoke and manufactured from our team at Bluecrow Joinery.

A sublime journey.
