

CRUMBS & DOILIES - STUDIO

Many years ago Bluecrow were asked to create Crumbs & Doilies very first bespoke retail shop, located in Soho's Kingly Court.

The hugely successful and ever expanding C&D and Cupcake Jemma, were after a full-on recording studio to showcase their creations and bespoke cake building expertise. This is where we came in, the team at C&D asked us to help bring their designs to life, and without hesitation we jumped at the chance.

With a multitude of bespoke joinery including counters, worktops, shelving and much more, we now have a delightful and quirky finished studio. Crumbs & Doilies can now create their video/streaming/recordings to their hearts content for the Millions, yes millions of YouTube fans.

When it comes to shopfitting, Bluecrow specialise in the restaurant, bar and retail sectors. We have the confidence, knowledge and expertise to deliver your vision on time and within budget.
