

THE LAUNDRY

Bluecrow started work on the old former steam laundry in Brixton, London. This was the first venture with 3Stories Design and a wonderful one at that.

Teaming up with Socius Projects, the task was to create a new space for an all-day Bistro and Wine Shop in the beautiful old Edwardian wash house.

Perhaps the biggest obstacle was forming a new feature piece staircase within the existing structural layout at the centre of the restaurant working within building regulations.

Bluecrow joinery provided the bar, featuring an attractive porcelain top, coffer counter along with shelves and shelves to house some of the finest wines!
