Shopfitting, Refurbishment & Project Management

## WA CAFE

WA Cafe – Bluecrow Projects were very proud to have worked closely with SAY-Architects to create what is Ealing Broadway’s Japanese Patisserie.

The light minimal space in the cafe is dominated by two lustrous counters with a decorative wall of patterned tiles in the backdrop. The subtle frosted palette continues throughout the interior, with a restrained variety of polished brass features.

Directly facing you as you enter the café is a wall with decorative frames, one of which allows a glimpse into the backstage area of the café where the pastries are prepared.

When it comes to shopfitting, Bluecrow specialise in the restaurant, bar and retail sectors. We have the confidence, knowledge and expertise to deliver your vision on time and within budget.
