

PROJECT STUDY

Bluecrow Projects Ltd

Shopfitting, Refurbishment & Project Management

XU

XU, Rupert Street- Taiwanese food taken to the highest heights, boasting art-deco curves, grooved dark-wood panelled walls on two floors with mini-spots for that intimate dining experience.

On entering you are greeted by a remarkable emerald green tea counter surrounded by green and pink leather banquette seating. On making your way upstairs you will be in ore of the bespoke centrepiece, a plush pink marble dining bar which offers more seating under the railway clock above.

For that ultimate dining experience a vault can be found encapsulated in a decor of hand painted murals displaying misty mountains under marble lighting.

Bluecrow Projects pride themselves on quality workmanship and attention to detail when it comes to any fit-out. XU is no exception.

When it comes to shopfitting, Bluecrow specialise in the restaurant, bar and retail sectors. We have the confidence, knowledge and expertise to deliver your vision on time and within budget.
