Bluecrow Projects Ltd
Shopfitting, Refurbishment & Project Management

GRANGER & CO.

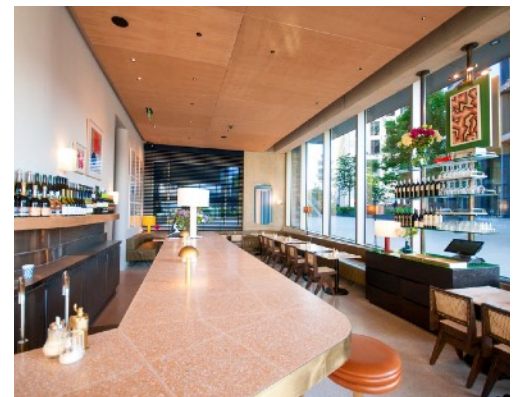

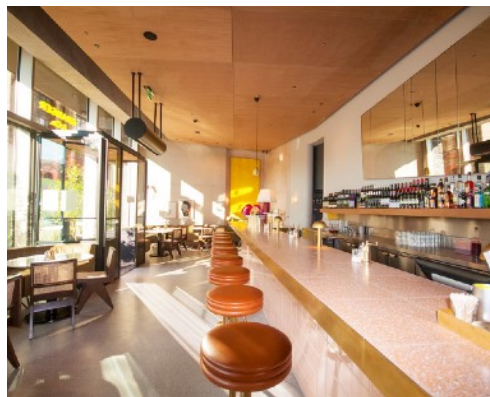

Having worked with Granger & Co. previously on their first project in Westbourne Grove, London, the Bluecrow Projects team were chosen to fit-out their second project "Granger & Co. - Kings Cross" London.

This restaurant overlooks King's Boulevard, the walkway that leads from King's Cross north to the Regent's Canal and is a great addition to this historic area which has gone under a dramatic transformation into a foodie destination.

Australian flair served in a simple setting with a sophisticated yet airy dining room with Granger's signature large windows.

When it comes to shopfitting, Bluecrow specialise in the restaurant, bar and retail sectors. We have the confidence, knowledge and expertise to deliver your vision on time and within budget.
