

BUNKERS

The teams at Bluecrow combined forces again to create this surreal, dystopian-inspired design which has huge hidden depth. With two never before seen insane crazy golf courses, deck shuffleboard, electro-darts, traditional shuffleboard, pool, ping pong, VR gaming, beer pong and much more – A real pleasure to have been the main contractor.

Transformed from an empty shell to a 22,000 sqft surreal dystopian world, all three teams at Bluecrow worked together with Leading Design & Architects – Shed Design and Adventure Leisure Limited to create the nostalgic past. Bespoke joinery including counters, bars, leaner tables, banquette seating, 38mm ply golf holes, wall cladding and much more; with a huge amount of bespoke fabricated and powder coated metalworks ranging from all golf holes, cage screens, frame works, bar facade's, bar gantries and more.

When it comes to shopfitting, Bluecrow specialise in the restaurant, bar and retail sectors. We have the confidence, knowledge and expertise to deliver your vision on time and within budget.
